

Waylon Makes a Potty Stop

A Potty Learning Adventure

**Waylon loves to play
with his dump truck.**

**Then his body sends
a little message:
“Potty time!”**

Waylon stops his play.

**“I need to go,” he
says.**

His truck can wait.

Waylon sits and tries.

**Sometimes pee comes.
Sometimes it does not.**

**Every calm try helps
Waylon learn.**

**Sometimes Waylon
has an accident.**

**Accidents are part
of learning.**

**A grown-up helps him
get clean and comfortable.**

Waylon flushes.

**Then he washes his
hands
with soap and water.**

**Clean hands are the last
potty step.**

**Waylon listened
to his body.**

**Waylon stopped and
tried.**

Hooray for Waylon!
